CEETRA

Inaugural meeting

Today

- 1 Seniors session (3 papers)
- 2 Juniors session (4 papers)
- 3 Brainstorm, Roundtable, Discussions, General Assembly (long)
- 4 Dinner (discussions cont'd...?)

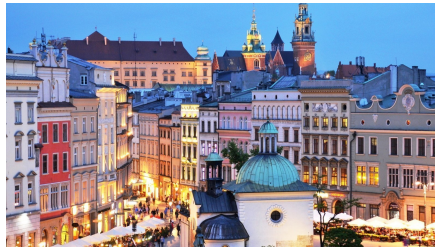

CEETRA

Inaugural meeting

Today

- 1 Seniors session (3 papers)
- 2 Juniors session (4 papers)
- 3 Brainstorm, Roundtable, Discussions, General Assembly (long)
- 4 Dinner (discussions cont'd...?)

- 1 43 invitations
- 2 25 registrations (>50%)
- 3 ... arrived
 - unrepresentative sample
 - biased by location (gravity model)
 - biased by founders (who we knew...)
 - high quality, but not exclusive (there are others who shall be here, but we did not invited them...)
- 4 let it grow and invite others

- 1 est. 1364
- 2 Copernicus (Mikołaj Kopernik) is alumni
- 3 "THE" University in Poland
- 4 the horse to bet on if we believe Universities may grow in CEE and reach top 100,200 in rankings..

Purpose of the Association

CEETRA's ambition is to create a network of like-minded CEE researchers with an excellent research track record willing to mentor and support younger members in reaching an ever increasing level of research excellence.

- 1 To promote and support excellent transportation research in CEE .
- 2 To help younger scholars reach scientific excellence.
- 3 To provide a forum for CEE researchers from academia with a common interest in mobility issues for ideas and researchers' exchange, facilitation of collaboration and research impact acceleration.
- 4 To provide a platform through which mobility research-oriented lobbying can be achieved e.g. in the context of data availability, policy impact or joint opportunities (policy advisory, funding, collaboration).
- 5 To support efforts aimed at improving the quality of education of future transport professionals in the region.

Broad and inclusive

* non-exclusive & broad

Our objectives are scientific excellence, at the level of:

- 1 journals (publications in Q1 journals),
- 2 funding (national and international European competitive grants),
- 3 conferences (internationally recognised venues),
- 4 collaborations (joint papers co-authored with researchers from internationally recognized labs).

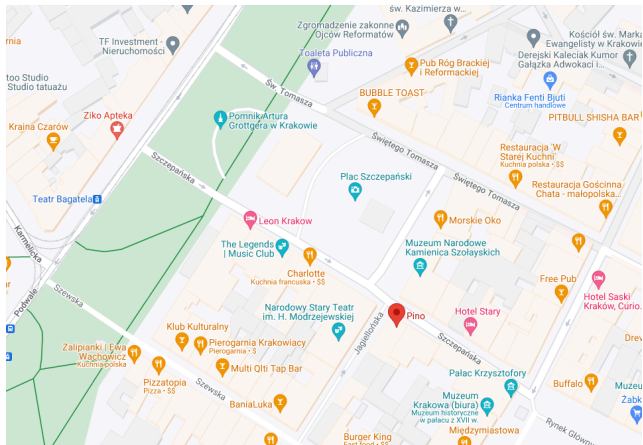

Strict

Our objectives are scientific excellence, at the level of:

- 1 journals (publications in Q1 journals),
- 2 funding (national and international European competitive grants),
- 3 conferences (internationally recognised venues),
- 4 collaborations (joint papers co-authored with researchers from internationally recognized labs).

Strict

- 1 Sessions (1147)
- 2 Coffee-breaks (mural-balcony - 2nd floor)
- 3 Lunch (Świetlica - cafeteria at the Faculty - ground floor (we have reservation))
- 4 Dinner 6PM (PINO - Plac Szczepanski)

This meeting was organised and sponsored by the **Initiative of Excellence - Research University** at Jagiellonian University as the part of the support for the **ERC Starting Grant COeXISTENCE** run by dr Rafał Kucharski.

Big clap

To Ms Sylwia Polak for an excellent support with organising this event.
